THE MARRIAGE SERVICE

A marriage service at Scarboro United is an act of faithful devotion in which two people make vows of commitment to each other and seek God's blessing.

You do not need to be a member of the United Church to be married at Scarboro, but we do invite you to attend Sunday service and other church events. We are a faith community happy to welcome you, providing community and support as you build your life together.

MUSIC

We have a tradition of excellent music at Scarboro, and are happy to provide an experienced Music Director to assist you. They will provide a skilled musician for the service, assist with musical selections, and consider requests for soloists. Our Sanctuary is equipped with a well maintained grand piano and pipe organ. Pre-recorded music is not permitted.

OTHER EVENTS

Our Memorial Hall can accommodate mid to large sized groups. Let us know if you are looking for space for wedding related gatherings. Alcohol is not permitted to be served on site.

DECORATIONS

Our lovely Sanctuary features stained glass, hardwood, and vintage fixtures. It looks best with simple, elegant decorations. Please designate a helper to take down decorations after the service.

Confetti, rice, flower petals or birdseed are not to be thrown inside the church or on the grounds.

PICTURES

Guests are invited to take pictures of the wedding party entering and leaving the Sanctuary, as well as the signing of the register, but otherwise only the designated wedding photographer is permitted to take photos during the service (from behind your guests, without a flash).

We know that everyone wants to get the perfect shot, but restricting photography allows you, your family and friends to be fully present for this important event, minimising distractions and ensuring unobstructed sight-lines for everyone.

OTHER CLERGY/MINISTERS

All weddings at Scarboro United are officiated by our minister. At their discretion, other clergy may be permitted to contribute readings or a prayer.
